SNDEA

Frequently Asked Questions (FAQ's)

Q: If, I was a member last year, do I have to pay dues again or am I considered a member automatically?

A: Actually, each year is different, it runs from September to September and you have to pay dues each year to be a member.

Q: I am in the introduction to teaching courses, is it too early to get involved?

A: It is never too early to join, for each year you are a student member you get a refund on your professional membership dues.

Q: Will the insurance still cover me if I student teach out of state?

A: Yes, the insurance is international. It will even cover you if you go to another country.

Q: How much does it cost to become a member?

A: It is a $50 fee, which lasts a full school year. You can even register online at http://www.nea.org/student-program/membership
