

CASS COUNTY AREA RETIRED TEACHERS ASSOCIATION

January 8, 2019

Enclosed you will find an application form for a scholarship from the Cass County Area Retired Teachers Association. We would be pleased if you would circulate this application to any student who would fit the qualifications and would be interested. Feel free to make as many copies as you find necessary. Include it on your web site if that is possible.

This information was also sent to you in September but as we are getting closer to the due date for applications to reach us we want to make certain this information is being given to students who would qualify for our scholarships. We are awarding four \$1000 scholarships again this year.

Thank you for any help that you can provide in getting this information out to students who might apply for a scholarship.

Sincerely,

A handwritten signature in cursive script that reads "Beverly Quamme".
