

College of Education & Human Development student, Sandra Kenrick has been selected to receive the Delta Gamma Foundation Graduate Student Fellowship Award. Sandra (A.K.A. Sandy) was nominated for this prestigious award because of her outstanding contributions/leadership to the field of visual impairment. As an award winner, Sandy will be attending the American Foundation for the Blind Leadership Conference, February 28- March 1, 2019, in Arlington, VA. Dr. Renae Bjorg, the nominating professor, will be joining her at the conference. CONGRATS both Sandy and Renae!!
